

Summer Camp 2010 Themes

All camps are centered around gymnastics or cheer instruction. Then we add crafts, snacks, games, water fun and a Friday show and tell and tie it all together with a fun theme.

Arcade Anarchy

Every day presents a new challenge for our rowdy gamers. Pac Man, Mario, and Naruto, inspire our daily arcade adventures. But we do not sit and use controller at Buckeye.

NO WAY!
We are Sonic!!

And we're a little crazy. We'll show you all our games during show & tell.

Cruise'n the Caribbean

Captain's orders...Fun in the Sun.
Hot Skills for Cool Kids

We move outside for many activities this week and water fun is the order of the day everyday on the Cruise Ship Buckeye.

Cats & Dogs

Buckeye has gone to the dogs... and cats. So we will have fun the way our favorite animals do: rolling, jumping, running, howling, and always landing on our feet. Well, maybe not always. Our favorite stuffed animal friends will join us during the week.

Cartoon Madness

We love cartoons... Bugs, Snoopy, ... all of them. And we love cartoon gymnastics where we run through walls, fly over trouble, swing away from danger, and fall with out a care in the world. Every day is a new adventure during Cartoon Madness week.

Slime Week at Buckeye

We celebrate everything Nick during Slime week. From Spongebob to iCarly to Fanboy and Chum Chum, we will have Nick along all day long. THE KIDS WILL GET SLIMED and on Friday during Show and Tell we will show off all our great new skills.

Dragons & Princesses

We enter the world of Disney with all your favorite Princesses: Belle, Ariel, Snow White and more. Every day a new adventure with music, crafts, and adventures. We will dress up and slay dragons. On Friday we create new adventures using the skills we have learned to tell exciting stories.

In just five days Space Camp will transform ordinary kids into Astronaut Trainees. Experience micro-gravity on the trampoline, practice emergency escapes on the slip-n-slide, space walk on the beams, pilot the shuttle, and contact mission control as you escape from aliens. At Space Camp the sky is not the limit... the ground is.

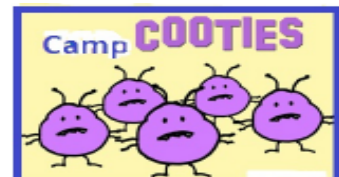

Buckeye Camp

An old fashioned week at camp included smores, climbing, games, outdoor activities and tons of fun. That's what Buckeye Camp is all about. Gymnastics plus loads of other indoor and outdoor games and sports.

Cootie Commotion

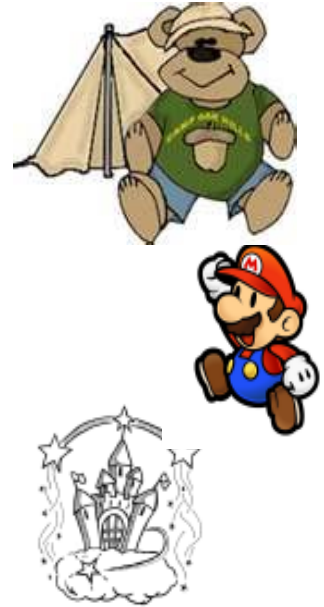

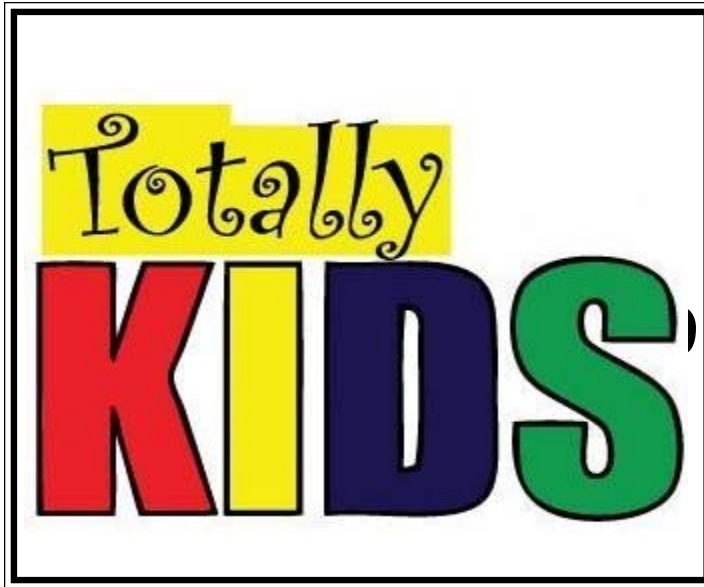

Coot-ie [koo-tee] - *noun Informal:* a non-scientific term used by children to describe an imaginary disease spread through direct human contact. The "commotion" will center on all the cootie spreading and cootie avoiding activities we can think of- and we can think of a lot!

Think tag, hide and seek, swim-fishee-swim and dozens more plus maximum cooties destruction with water battles and the slip-n-slide.
