Make Up Policy

We offer unlimited make-ups to currently enrolled students. We do not offer make-ups to students who are not currently enrolled. We will make every effort to provide a make-up in a class at your level. In the event that we are not able to do so we will provide an Open Gym Pass in place of the scheduled make-up. There are some classes that are so advanced or specialized that we only offer one class a week. In order to make up a missed class you will need to take the class in a closely related class or schedule the make up at the other gym or make use of an Open Gym Pass.
